Employee's Last Name	Employee's First Name
Employee's Social Security Number	Employee's Month/Year of Birth
Date of SSA Tentative Nonconfirmation	Case Verification Number
Reason for this Notice:	

Your employer, \_\_\_\_\_, participates in E-Verify. E-Verify compares the information that you provided on your Form I-9, Employment Eligibility Verification with Social Security Administration (SSA) and Department of Homeland Security (DHS) records to confirm that you are authorized to work in the United States.

### Why you received this notice:

You received this Further Action Notice from \_\_\_\_\_ because it looks like some of the information that your employer entered into E-Verify does not match the records that SSA currently has for you. This doesn't necessarily mean you gave incorrect information to your employer. It also does not mean you are not authorized to work in the United States. There are several reasons why your information did not initially match and you can read more about those reasons at [www.e-verify.gov/employees/tentative-nonconfirmation-tnc-overview](http://www.e-verify.gov/employees/tentative-nonconfirmation-tnc-overview). You will need to take a few steps before E-Verify can let your employer know that you are authorized to work in the United States.

### What you need to do:

- 1. Review your information at the top of this page.** Let \_\_\_\_\_ know if there are any errors. Your employer will be able to close this case and input your information in E-Verify again with the correct information, hopefully resolving this case. If your information is correct, move to step 2.
- 2. Decide if you want to take action to resolve this case.** If your information above is correct, then you can choose to take action to correct your record so that SSA records reflect that you are authorized to work in the United States.

If you decide not to take action to resolve this case, E-Verify will be unable to confirm that you are authorized to work in the United States and your employer can terminate your employment.

sends your case in E-Verify. Your employer must give you a Referral Date Confirmation, which will tell you the date by which you must visit SSA.

**Visit SSA Field Office:**

To take action to begin to resolve this case, you must visit an SSA field office to update your information. If you live in an area where there is a SSA Card Center, you are required to visit the Card Center. To locate an SSA office, visit [www.socialsecurity.gov/locator](http://www.socialsecurity.gov/locator) or call SSA at 800-772-1213 (TTY: 800-325-0778).

Bring this Further Action Notice when you visit SSA. Tell SSA that you have an E-Verify issue.

SSA cannot update your record without proof that a change is needed. Below are examples of documents you may need to prove your age, identity, name change, and citizenship status. Bring original documents, not photocopies:

- Proof of your age: a birth certificate or passport
- Proof of you identity: a driver’s license or passport
- Proof of a legal name change: a marriage certificate, if you current name is not on your SSN card
- Proof of a U.S. citizenship or work-authorized status:
  - If a U.S. citizen – a Naturalization Certificate, U.S. public birth certificate, or U.S. passport, or
  - If you are not a U.S. citizen – a Permanent Resident Card (Form I-551), Employment Authorization Document (Form I-766), or Arrival-Departure Record (Form I-94) showing work-authorized status.

**IMPORTANT:** If you are a naturalized U.S. citizen and the reason for this notice on Page 1 is “SSA is unable to confirm U.S. citizenship;” you do not need to visit an SSA field office to resolve the SSA TNC. Instead, call DHS at 888-897-7781 within 8 Federal Government working days from the date your employer refers your case (TTY: 877-875-6028) to confirm your status as a U.S. citizen. Provide DHS the following information:

- The case verification number from Page 1 of this Further Action Notice; AND
- Your Naturalization Certificate Number or Alien Number. If you do not have your Naturalization Certificate Number or your Alien Number, visit an SSA field office with your proof of U.S. citizenship to resolve the SSA TNC.
